

EXTRACTION

noun ex·trac·tion \ik-'strak-shən\

the act or process of getting something by pulling it out, forcing it out, etc. : the act of extracting something

SYNOPSIS

Jack longs to escape his monotonous routine, but obedience to society and fear of change leave him with more of the same: a busy, yet unfulfilled existence. In this off-kilter world, a group of extractors are targeting those who have neglected to truly live. Jack is next.
