HATH NO MAN

Synopsis

An Australian World War II veteran walks into a church and as he sits down, he reminisces of his time in the war. Set in Crete, 1941, his memories take him through the events of a German ambush that changed everything.

A story of comradeship, friendship and love, Hath No Man tells of the heart-warming story of the bond between an Australian war cameraman and an Australian soldier forged in the battlefield.

“Greater love hath no man” - John 15:13
