

Synopsis

There once was a girl
who was made up of junk.

She looked really dirty,
and she smelled like a skunk.

She was always unhappy,
or in one of her slumps-perhaps 'cause she spent
so much time down in the dumps.

The only bright moment
was from a guy named Stan.
He was from the neighborhood
garbage man.

He loved her a lot
and made a marriage proposal,
but she already thrown herself
in the garbage disposal.
