

## LA Encounter

"LA Encounter" paints a portrait of an extraordinary city located in the heart of southern California. This video takes the viewer on a short but full of surprises journey to the most recognizable places of Los Angeles, from Hollywood to Santa Monica, even to the streets in downtown LA.

### **About the filmmakers**

#### **Man Lin (Director/editor)**

Man is a native from China, who obtained her M.A in Public Relations from Michigan State University. She is passionate with photography and started to learn filmmaking one year ago. Man moved to Los Angeles in 2011 and is currently working in a digital marketing agency.
