Rachel Barker as *Sadie*

DIRECTOR, Michael Lewis Foster

Michael is a filmmaker with over 25 years of experience. He began his professional career working on the TV shows Silk Stalkings and Renegade, and the Showtime movie, The Tiger Woods Story. He has shot and edited videos for Sony, Marvel, Petco, Lucasfilms, X-Factor and Wrangler Jeans, and worked directly with clients that include LL Cool J, Gwen Stefani, Jenny McCarthy and Simon Cowell. PRAISE

"Hush is a horror movie of the best order. In its brevity it manages to do more than most major motion pictures of its ilk. The structure of the story is put together with many uncomfortable and unexpected solutions."

Timothy Rawles, Editor for SDGLN

"Impressive slow burn with a solid payoff."

Beth Accomando, KPBS Cinema Junkies
