Quotes

"Ophelia delves into the mind of a female interviewee." - The London Tree
"The writing and direction by Anthony Garland coupled with such strong performances from all the cast create several incredibly powerful moments" - Garbage File
"Writer Anthony Garland pulls no punches as the director of this unnerving short film, Ophelia. The mood he creates, tense from the outset, will keep audiences rapt." - Battle Royale With Cheese
"Ali Mueller convinces in the lead role". - Vulture Hound
"Much like actual job interviews Ophelia is a tense, concise film that will leave you thinking back on what just happened and how it could have occurred so quickly." - Culture War Reporters

London Flair PR
Catherine Lyn Scott
Cls@londonflairpr.com

"Meticulously composed and precisely executed, this heavily surreal study of the job interview from Anthony Garland seethes with palpable pressure and calculated malice throughout."

"it's technically impressive". - The Critical Critics

"It's a nifty little look at how we seek to control our fears and doubts " - Movies From The
