

Cups and Robbers is the directorial debut of Seattle native Jim Simone.

A true labor of love, this was produced by Lara Wickes and shot in Los Angeles with the help and support of many friends and family. We were very fortunate to have been able to get a great cast - Illeana Douglas (Cape Fear, Ghostworld), Stephanie Drake (Mad Men), and Gloria Calderon Kellet (Writer/Producer).

The idea came literally from being in a restaurant and feeling like the waiter didn't actually work there - knowing so little about the menu. It got the creative juices flowing and this is the result.
