

TO BE FIONA

By
Fiona Lu

Traveling through time and to the future, Little Fiona has a purpose. There is something in her life that makes her a bit unhappy. She seems to have difficulty with her dad, with some friends and with school. As a result she is on her way to the future having the hope of leaving all the mess at once.

Is she going to be OK?

THE STORY

THE STORYTELLER

I considered myself "lucky" to be able to speak in animation. This particular form of art was more like a cup of soup for me. It's soothing and fulfilling. Lots of ingredients but when you drink you take it all in. Upon digesting, you have laughter or, happy tears.
