About the Film

About Boise Esquerra

Cast

Credits

Log Line: A bitter lonely cowboy is set at ease after crossing paths with a promiscuous female vagabond.

## Synopsis

After a domestic dispute between neighbors disrupts an ordinary day in his trailer, Beau must take refuge out in the public, something he resents doing. Later, after confronting the woman responsible for the inconvenience, they spend the night sharing words with one another, discovering different viewpoints, from two very not so different people.

## LEAD CAST

### Tony Amendola

His film work has been varied and rewarding, including appearances opposite Johnny Depp in Ted Demme's *Blow*, Anthony Hopkins and Antonio Banderas in Martin Campbell's *The Mask of Zorro*, Chris Cooper in John Sayles's *Lone Star*. His TV guest star roles include "West Wing", multiple episodes on "The Practice", "Judging Amy", "Robbery Homicide Division", "X-Files", and a long running role on "Stargate SG-1" as Master Bra-Tac (a Jaffa Obi-Wan).

### Joy Darash

Joy Darash is an L.A. based actress who has an extensive amount of notable work. She is an extremely talented screen actress always giving top notch performances.

She has been featured in both film and television.

## **About the Film**

Cowboy was written and directed by Native American filmmaker Boise Esquerra. The film was produced at the New York Film Academy in Burbank, CA and filmed in the surrounding Santa Clarita valley. Cowboy served as Boise's MFA thesis project and is loosely based on real life events. The film includes an incredible cast starring Tony Amendola ( Annabelle, Blow, Mask of Zorro) and Joy Darash.

Cowboy was produced by Producer Katharine Jameson and filmed by Cinematographer - Rolf Dekens (NSC).

## ABOUT BOISE ESQUERRA

Boise Esquerra hails from Phoenix, AZ and is a Native American (Hopi) filmmaker enrolled in the Colorado River Indian Tribes in Parker, AZ. He is currently attending school at the New York Film Academy and is in his 7th year of filmmaking. He has great passion for the entire spectrum of filmmaking and every aspect that goes into it. Some of Boise's inspiration comes from much of his life's experience's and stories from real life events. "Cowboy" is his MFA senior thesis film produced at The New York Film Academy in Burbank, California.
