A little girl struggles with things that go 'bump' before bedtime.

SYNOPSIS

A little girl has trouble going to sleep when she is forced to search her bedroom for a sound keeping her from awake. She learns that things aren't what they seem.

REVIVAL REELS started the *REFLECT* production with Director Day Hernandez. Production began on October of 2017 with a local Los Angeles team of 12.

While essentially being a Horror Short, *REFLECT* has a message. It is the ugly truth about what's on the other side of the mirror. A moment of realization and accepting the truth.
