

Thank you so much and we are excited to be a part of this event!

Via email we discussed coordinated press efforts for this event and are excited to collaborate with your team on messaging and press kit :-)

Please note, I have crossed out the right to cancel screenings and interviews at any time on the contract as Kirsten Vangness will be investing her own PR resources to help announce this event and screening. I am happy to jump on the phone at any time if we need to discuss further, but I humbly believe neither of us expect to cancel our participation in this event and can proceed with confidence in our collaboration to make this the best event it can be.

Thank you for your time and talent,

Brendan Bradley
