Synopsis

An old Mayan woman dreams about being a crocodile. In the night, an owl stalks her and does not allow her to dream anymore; tired of this, she goes in search of a shaman to ask for help.

About

An exploration of dreams and their meanings from the point of view of the Mayan culture.

The talent

Doña Elvia and Don Pedro are two Mayan elders who live in Yucatán, they are part of a community theater in their local town.

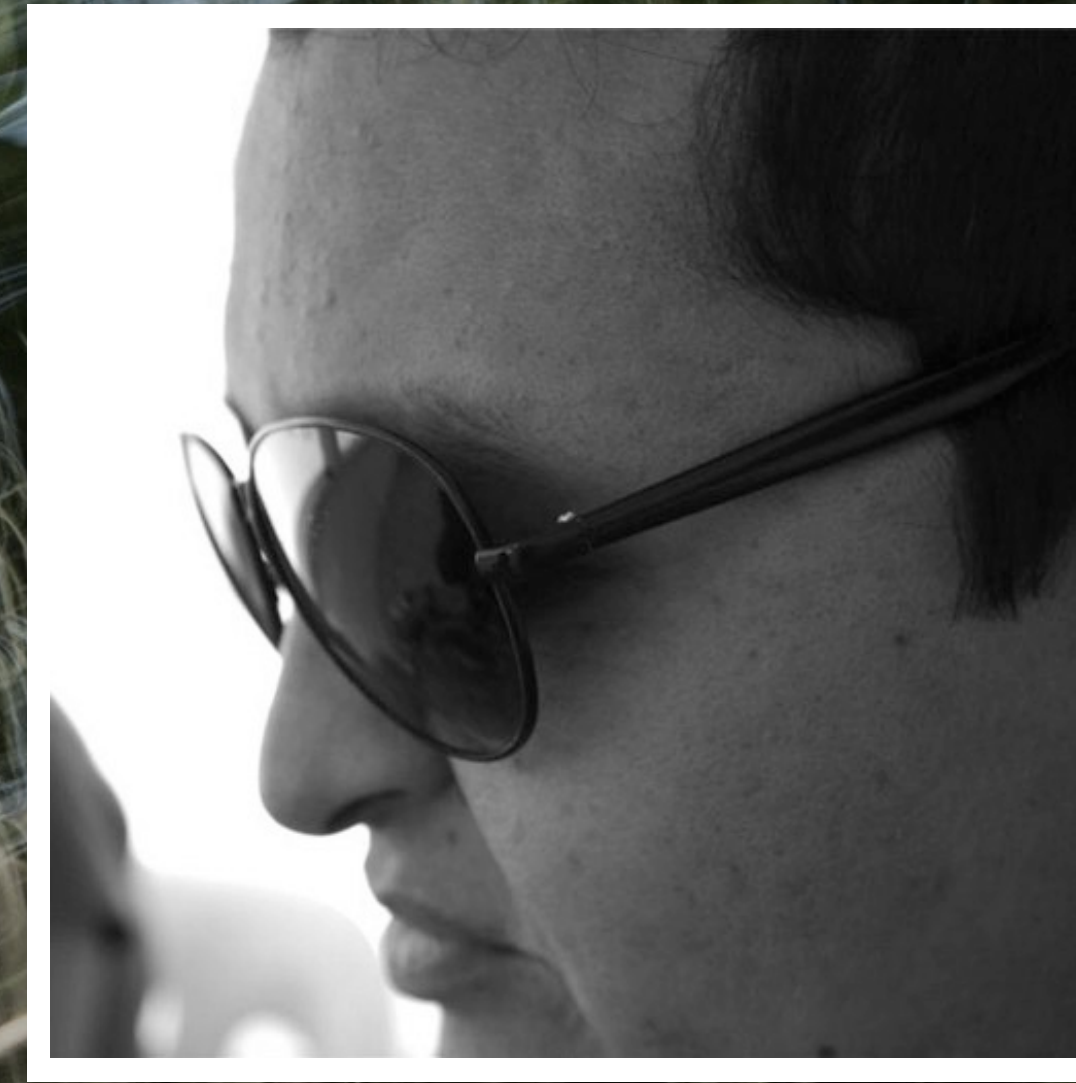

Filmmakers

Domingo Pablo Ortiz (Director)

Graduated in communication from the Universidad Anáhuac and took film courses at the cinematographic workshop by Mantarraya. He has more than 15 years of experience in the audiovisual area.

His first short film Albina participated in the Short Film Corner of the Cannes Film Festival 2017 and Festival Internacional de Cine de Morelia 2017.

Miguel Ventura (Producer)

He studied film creation at the Mesoamericana University of San Agustín (UMSA), Mérida. He participated in the Mexican Short Film section of the 8th Morelia International Film Festival (FICM) with his short fiction film *El venado y la niebla* (2009), where he received the Studio 5 de Mayo Special Award.
