

INK

synopsis:

In this ultrashort animated film, we follow an octopus who is a clean-up neat-freak. But sometimes, even though you have so many arms, you still cannot reach what you are aiming for.

Information

'INK' is made as a part of the 'ULTRAKORT!'-program, a series of short animated films, created for a theatrical release as a pre-film for a big blockbuster in Dutch cinemas.

'ULTRAKORT!' is a program created and funded by the Dutch FilmFund, Fund21, Vue Cinemas and the NFO.

'INK' was created for the theater, as an stereoscopic 3D film,. There is also a 2D version available, but it is preferred to watch and screen in 3D. There are video files (also dcp) in 2d and 3D. Make sure you have the right file for your viewing.
