Set in the not so far future, a newly wed couple enters a travel agency to book their most important journey ever; the one that begins when you die. While deciding which type of vacation they want to book, the couple will have to address important issues whose consequences will be eternal.

Celebrate Alberto Belli ([@abelli](#)) and his film “After Life Vacation” at our virtual film festival on September 26th. Join us for virtual screenings, filmmaker + audience Q&A's, and industry panels. Follow the link in our bio to get your tickets! [#NFMLA](#) [#filmfestival](#) [#shortfilm](#) [#latinx](#)
