Los Angeles Confidential and **New Filmmakers LA** honored Hispanic Heritage Month with their very own **Heritage Celebration** held at the **Sofitel Los Angeles at Beverly Hills**.

Top Latinx movers and shakers in the industry visited the glamorous hotel's outdoor patio on October 7th to celebrate and network.

Guests enjoyed tray-passed hors d'oeuvres courtesy of the Sofitel and visited the **Tres Generaciones** tequila bar where they were treated to signature margaritas and palomas with freeze-dried fruit made on-site.

Mingling throughout the terrace, attendees enjoyed a live painting demonstration and catching up with colleagues new and old.
